

Kevin T Kavanagh, MD, FACS
Publisher and Co-Editor
World Articles of Ear, Nose and Throat

Dr Kavanagh,

I am pleased to inform you that the MP Chapter of Association of Otolaryngologists of India has selected the World Articles of Ear, Nose and Throat as its official Journal to review and publish papers presented at the MP AOI yearly conference. We have found the WAENT to be a high quality Journal and we are especially impressed with the ability to publish both manuscripts and associated videos of the presentations.

We look forward to working with you in the near future.

Sincerely,

Dr. N.D. Gargava MS, PhD

President

MP Chapter of Association of Otolaryngologists of India
